DEVELOPER'S ANNUAL REPORT

Updates to the latest Developer's Public Report:

Kowa Waikiki, LLC ("KWLLC") purchased the Royal Kai Lani project (aka Waikiki Beachside Hotel ("Hotel")) from the previous owner and developer, RKL Beachside, LLC ("RKL") in September, 2013. KWLLC holds all of RKL's developer's rights and is the sole owner of all the units in the Hotel, which it is currently operating it as a hotel. The latest Developer's Public Report ("Report") for the Hotel was filed by RKL in 2011 and contemplated the sale of entire floors of the Hotel as single residential units. No units were sold, and since acquiring the Hotel, KWLLC has abandoned RKL's plan as it is described in the Report. Instead, KWLLC is in the beginning stages of planning a luxury condo-hotel concept, which entails extensive renovations to the existing layout of the Hotel. As a result of the change in ownership (from RKL to KWLLC) as well as the planned renovations, there are likely both material and pertinent changes to the information in the Report. However, at this time, KWLLC is not advertising or offering to sell any units in the Hotel. Further during the planning process, the Hotel will continue its hotel operations and no units will be offered for sale. If and when KWLLC decides to offer for sale units in the Hotel, it will duly amend the Report to comply with all applicable laws.
